British Vending Excellence Since 1966

The new face of bean-to-cup tabletop machines - large capacity, easy-to-operate, delivering exceptional drink choice and taste

Winter 2014

Primo

A+

The NEW Primo uses the latest brewing technology to deliver 12 tasty choices easily selected from the user friendly menu.

The interchangeable LED mood lighting gives the machine real user appeal.

Beans are freshly ground by the world renowned Ditting grinder and brewed in an italian high pressure espresso system - creating coffees with a great crema, cappuccinos with a delicious foam and indulgent hot chocolate - perfect for boardrooms, offices, bars, showrooms and many other locations.

Optimum drink quality with minimal maintenance

Features
