The REFRESH 700

Presenting the ultimate in user choice and total convenience, this feature packed, fully automatic table top machine is industry renowned for being "simply the best."

Fully automatic in operation, yet benefiting from the total convenience and simplicity of the In-Cup system, this space saving, table top hot drinks machine can satisfy even the most demanding requirements.

Refresh 700 shown with matching base cabinet

Refresh 700 partnered with the WaterBoy rehydration station

DRINK SELECTION

Offering an extensive menu of 10 delicious In-cup drink selections, the Refresh 700 operates entirely automatically, serving fully prepared, deliciously tempting hot or cold drinks in just a matter of seconds.

The brightly illuminated, electronically controlled cup station features a fully automatic, self opening and closing sliding door, to ensure both security and safety whilst your drink is being prepared.

Refresh 700 partnered with the SnackBreak MINI - the ideal "pick me up" station

Refresh 700 (shown here in optional Café Direct livery) partnered with the IceBreak can dispenser - a superb total refreshment solution
